Aurocin™ CeraDerm™

Ear Cleansing Solution with Aloe Vera for Dogs or Cats

CUCUMBER MELON

ACTIVE INGREDIENTS: Salicylic Acid 0.15%.

INACTIVE INGREDIENTS: Water, SD Alcohol 40-B, Propylene Glycol, Glycerin, Benzoic Acid, Benzyl Alcohol, Disodium Oleamido MIPA Sulfosuccinate, Nonoxynol-12, Diethylhexyl Sodium Sulfosuccinate, Lactic Acid, Aloe Barbadensis (Aloe Vera) Leaf Juice, Avena Sativa (Oat) Kernel Oil, Ceramide EOP, Ceramide EOS, Ceramide NP, Fragrance, Potassium Sorbate, Tetrasodium EDTA.

PROPERTIES: Cleans, dries, and deodorizes the ear canal. Contains salicylic acid, a beta-hydroxy acid (BHA) to exfoliate and penetrate dead skin cells, wax build-up and dirt. Skin nourishing nutrients moisturize and calm the skin. They also support the skin's natural immune system and provide building blocks for renewed skin barrier integrity.

INDICATION: For use on dogs or cats to cleanse, deodorize and dry the ear canal.

DIRECTIONS FOR USE: Ask your veterinarian which of the two following protocols is best for your pet:

1) Moisten a cotton ball with solution and place at the entrance of the ear canal; OR 2) Hold ear flap upward and fill with solution.

Then gently massage the base of the ear for 60 seconds. Remove cotton ball (if used) and allow pet to shake its head. Gently wipe away visible debris and excess solution with a clean cotton ball. Wash hands after use.

CAUTIONS: For external use on dogs or cats only. Avoid contact with the eyes. If eye contact occurs, rinse thoroughly and consult your veterinarian. If skin irritation occurs or increases, discontinue use and consult with your veterinarian. Do not use with a suspected ruptured eardrum.

WARNING: Keep out of reach of children.

STORAGE CONDITIONS: Store at room temperature. Do not freeze.

Available only through your veterinarian.
