Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

SnoreStop 60 FastTabs

Ingredients (HPUS):

Belladonna 6X, Ephedra vulg. 6X, Histaminum hydrochlorinum 12X, Hydrastatis 6X, Kali bic. 6X, Nux vom. 4X, 6X, Teucrium mar. 6X.

Inactive Ingredients:

Anhydrous Lactose, Croscarmellose sodium, Dextrose (45mg/tab), Lactose (180mg/tab), Magnesium Stearate, Microcrystalline Cellulose.

Uses:

Temporarily relieves symptoms of non-apneic snoring. Individual results may vary.

Warnings:

Use only as directed. **Keep out of reach of children.** Do not use on children under 5 years of age. **If pregnant or breastfeeding,** ask a doctor before use. This product does not treat sleep apnea. Stop use and ask a doctor if symptoms do not improve in 7 days.

Indications & Usage:

Chew or suck one tablet 30 minutes before bedtime and repeat at bedtime. When continuous improvement is noticed, you may start using every other night until no longer needed. In some cases, regular use may be more effective. **For Maximum Results,** use in conjunction with SnoreStop Naso Spray. May be used up to 4 times per day. Please discard 6 months after first use.

Keep out of reach of children.

Keep out of reach of children.

Other information:

- Store at room temperature in a cool dry place.

- Use only if individual blister is unbroken.
