Bestco Inc.

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Menthol 7.5 mg

Active ingredient (in each drop)

Menthol 7.5 mg

Purpose

Cough suppressant / Oral anesthetic

Uses temporarily relieves:

- cough as may occur with a cold
- occasional minor irritation and sore throat

Warnings

Sore throat warning: if sore throat is severe, persists for more than 2 days, is accompanied or followed by fever, headache, rash, swelling, nausea, or vomiting, consult a doctor promptly. If sore mouth symptoms do not improve in 7 days, see your dentist or doctor promptly. These symptoms may be serious.

Ask a doctor before use if you have

- persistent or chronic cough such as occurs with smoking, asthma, or emphysema
- cough accompanied by excessive phlegm (mucus)

Stop use and ask doctor if

- cough persists for more than 7 days, tends to recur, or is accompanied by fever, rash, or persistent headache. These could be signs of a serious condition.
- sore throat is severe, or irritation, pain or redness lasts or worsens
- sore mouth does not improve in 7 days

If pregnant or breast-feeding, ask a health professional before use.

Keep out of the reach of children.

Directions

- Adults and children 5 years and over: dissolve 1 lozenge slowly in mouth. Repeat every 2 hours as needed or as directed by a doctor.
- Children under 5 years: ask a doctor

Other information:

- 10 calories per drop
- Do not use if bag is torn or open

Inactive ingredients: Beta carotene, corn starch, corn syrup, eucalyptus oil, glycerin, honey, medium chain triglycerides, natural and artificial flavors, soybean oil, sucrose and water.

? Tiene preguntas? Si tiene preguntas o desea informar un efecto secundario, llame al 1-800-245-2898. De lunes a viernes, de 9:00 a.m. a 4 p.m., hora del este.

Excipientes betacaroteno, almidón de maíz, jarabe de maíz, aceite de eucalipto, glicerina, miel, triglicéridos de cadena media, saborizantes naturales y artificiales, aceite de soya, sacarosa y agua.

Información adicional

- 10 calorías por pastilla
- no lo consuma si la bolsa está rota o abierta

Indicaciones

- Adultos y niños a partir de los 5 años : disuelva lentamente 1 pastilla en la boca. Repita cada 2 horas según sea necesario o según indicación médica.
- Niños menores de 5 años : consulte con el médico

Mantener fuera del alcance de los niños.

Si está embarazada o amamantando, consulte con un profesional médico antes de consumir.

- Si la afección bucal no mejora en 7 días.
- Si el dolor de garganta es intenso o si la irritación, el dolor o el enrojecimiento perduran o empeoran.
- Si la tos persiste durante más de 7 días, tiende a reaparecer o está acompañada de fiebre, sarpullido o dolor de cabeza constante. Estos pueden ser signos de una enfermedad grave.

Suspenda el uso y consulte con el médico en los siguientes casos:

- Si la tos persiste durante más de 7 días, tiende a reaparecer o está acompañada de fiebre, sarpullido o dolor de cabeza constante. Estos pueden ser signos de una enfermedad grave.
- Si el dolor de garganta es intenso o si la irritación, el dolor o el enrojecimiento perduran o empeoran.

Consulte con el médico antes de consumir si tiene:

- tos crónica o persistente, como en los casos de tabaquismo, asma o enfisema
- tos acompañada de fiebra excesiva (mucosidad)

Advertencias

Dolor de garganta: si el dolor de garganta es acompañado o seguido de fiebre, dolor de cabeza, sarpullido, inflamación, náuseas o vómitos, consulte a su médico de inmediato. Si los síntomas de la afección bucal no mejoran en 7 días, consulte de inmediato con el médico o el dentista. Estos síntomas pueden ser graves.
