

**CAREALL HEMORRHOIDAL- mineral oil, petrolatum, phenylephrine  
hcl ointment**

**New World Imports, Inc**

-----  
**Active Ingredients**

Mineral Oil 14%

Petrolatum 74.9%

Phenylephrine HCl 0.25%

**Purpose**

Active Ingredients Purposes

Mineral Oil 14%.....Protectant

Petrolatum 74.9%.....Protectant

Phenylephrine HCl 0.25%.....Vasoconstrictor

**Keep Out of Reach of Children**

**Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away (1-800-222-1222)

**Uses**

- helps relieve the local itching and discomfort associated with hemorrhoids
- temporarily shrinks hemorrhoidal tissue and relieves burning
- temporarily provides a coating for relief of anorectal discomforts
- temporarily protects the inflamed, irritated anorectal surface to help make bowel movements less painful

**Warnings**

**For external and/or intrarectal use only**

**Ask a doctor before use if you have**

- heart disease ■ high blood pressure ■ thyroid disease ■ diabetes
- difficulty in urination due to enlargement of the prostate gland

**Ask a doctor or pharmacist before use if you are** presently taking a prescription drug for high blood pressure or depression

**When using this product** do not exceed the recommended daily dosage unless directed by a doctor

**Stop use and ask a doctor if**

- bleeding occurs ■ condition worsens or does not improved within 7 days
- introduction of applicator into the rectum causes additional pain

**If pregnant or breast-feeding,** ask a health professional before use.

## Directions

**Adults:** when practical, cleanse the affected area by patting or blotting with an appropriate cleansing pad. Gently dry by patting or blotting with toilet tissue or a soft cloth before applying ointment

- **INTRARECTAL USE:** remove cover from applicator, attach applicator to tube, lubricate applicator well and gently insert applicator into the rectum, thoroughly cleanse applicator after each use and replace cover
- **EXTERNAL USE:** apply to affected area
- Apply to affected areas up to 4 times daily

**Children under 12 years of age:** consult a doctor
