Ask a doctor before use if you have redness over the affected area.

When using this product

- use only as directed
- avoid contact with eyes, mucous membranes or rashes
- do not bandage tightly
- discontinue use at least 1 hour before a bath or shower
- do not use immediately after a bath or shower

Stop use and ask a doctor if

- redness is present or irritation or rash develops
- condition worsens or symptoms persist for more than 7 days
- symptoms clear up and occur again within a few days

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

Directions

- adults and children 12 years of age and older:
 - clean and dry affected area
 - apply generously to affected area
 - massage into painful area until thoroughly absorbed into skin
 - repeat as necessary, but not more than 4 times daily
 - children under 12 years of age: consult a doctor
- store at room temperature 20-25°C (68-77°F)
 - protect from excessive heat

Inactive ingredients alcohol, hydrogenated castor oil, methyl salicylate, peg-150 distearate, propylene glycol, purified water, sodium stearate
