PULL ME

It takes guts to eliminate plastic.

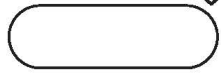

Feel good about feeling better.

We're Cabinet, the world's first refillable medicine system. We're on a mission to eliminate single-use plastic — one medicine cabinet at a time.

With this purchase you are saving a plastic bottle from the landfill, and by refilling you can save up to 1 lb of plastic yearly. All while getting the effective gas relief you need. (And doesn't hurt that it looks pretty great in your cabinet too.)
