- Stops most athlete's foot fungus and ringworm
- Helps relieves related discomforts

1 FL OZ (30mL)

QUALITY GURANTEED

This Top Care® product is laboratory tested to guarantee its highest quality. Your total satisfaction is guaranteed.

Side Panel

How to Eliminate Fungus?

Toe fungus can affect the areas around the cuticles and the skin around the tip of the nails. Anti-fungal work on contact but do not penetrate the nail,

So make sure tom keep nails clipped and clean away flaky skin and nail keratin when treating affected areas.

Anti-Fungal Liquid solution gets into hard to reach places, right where it's needed, to

treat fungus and stop it from spreading.

When will you see results?

- Anti-Fungal Liquid begins working immediately to eliminate toe and athlete's foot fungus.
- You should begin to see results in 4 weeks.
- You may need to continue treating to allow for regrowth of healthy new tissue.
