-----

**Bye Bye Burns**

**Bye Bye Burns**

Belladonna 6X

Cantharis 6X

Ranunculus bulbosa 6X

Urtica dioica 6X

**Bye Bye Burns**

Natural coconut oil, virgin olive oil, omega-3 shark liver oil, natural vitamin E.

**Bye Bye Burns**

Avoid contact with eyes. If symptoms persist for more than 7 days, discontinue use and contact your health care professional. In case of accidental overdose seek professional assistance or contact a poison control center immediately. All the ingredients are edible, but this product is not intended for internal use. Avoid spraying on clothing as the product will stain. In case of severe burns, or burns over large areas of the body, consult a doctor. Stop use and consult a doctor if the conditions persist or get worse.

**Bye Bye Burns**

Keep out of reach of children.

**Bye Bye Burns**

For the temporary relief of skin burns and pain from contact with hot surfaces, scalding, and from the sun. For the temporary relief of vesicular eruptions like blisters, and inflammation after a burn.

**Bye Bye Burns**

Adults or children over 2 years of age, apply to affected area up to 3-4 times daily. The harder you depress the sprayer cap, the more it will be directed in a stream rather than in a mist. Most of the oil will absorb directly into the skin within 15 minutes of application.

**Bye Bye Burns**

Belladonna - burning of the skin from contact

Cantharis - burns, scalds, and inflammation of the skin

Ranunculus bulbosa - blistering of the skin after a burn

Urtica dioica - burns, scalds, sunburns and itching from burns.

BYE BYE Burns—Strong enough for adults, gentle enough for children.

Bye Bye Burns homeopathic medicine provides treatment for the pain, inflammation, and blistering caused by sunburns, scalding burns, and contact burns, while promoting the quick repair and natural healing of the skin.

Conventional burn remedies are usually just topical analgesics for the temporary relief of pain.

The Omega-3's and concentrated antioxidants in Bye Bye Burns will nourish, protect and promote the rapid healing of the damaged areas of skin. Depending upon the severity, you may notice that some burns that previously might have caused blistering and peeling to immediately occur, may not blister following the application of this product. Allowing the skin to remain intact over the area of the burn for a longer period of time, provides for better natural protection from germs, while providing more time for the skin layers below the surface to grow and replace the damaged areas.

In the case of severe burns or if there is any doubt about the degree of severity of the burn, seek medical attention.

#### Purpose

Burning of the skin from contact burns, scalds, and inflammation of the skin blistering of the skin after a burn, burns, scalds, sunburns, and itching from burns

# Bye Bye BURNS

**SEAGATE** Homeopathic NDC 064616-046-01

Topical Skin Spray • Sunburns • Scaldings • Contact Burns • Pain

Do not use if the shrink seal marked "Sealed for your protection" is missing or has been tampered.

**Active Ingredients:** Belladonna 6X, Cantharis 6X, Ranunculus bulb 6X, Urtica dioica 6X

**Indications:** For the temporary relief of skin burns and pain from contact with hot surfaces, scalding, and from the sun. For the temporary relief of vesicular eruptions like blisters, and inflammation after a burn.

**Warnings:** Keep out of reach of children. Avoid contact with eyes. If symptoms persist for more than 7 days, discontinue use and contact your health care professional. If you are pregnant or nursing, seek the advice of your health care professional. In case of accidental overdose, seek professional assistance or contact a poison control center immediately. All the ingredients are edible, but this product is not intended for internal use. Avoid spraying on clothing as this product will stain. In case of severe burns, or burns over large areas of the body, consult a doctor. Stop use and consult a doctor if the conditions persist or get worse.

**Directions:** Adults or children over 2 years of age, apply to affected area up to 3-4 times daily. The harder you depress the sprayer cap, the more it will be directed in a stream, rather than in a mist. Most of the oil will absorb directly into the skin within 15 minutes of application.

**Other Information:** Store at room temperature, do not refrigerate. Natural coconut oil, one of the inactive ingredients, can solidify when temperatures drop below 75F. As a result, you may notice that the oils in the bottle have solidified. This is normal, has no effect on quality and is the result of using only real natural raw materials in this product. Should this occur, simply warm the bottle for a few minutes (ie. in your pocket).

**Inactive Ingredients:** Natural coconut oil, virgin olive oil, omega-3 shark liver oil, natural vitamin E
