

NINJACOF-A - ninjacof-a liquid
Centurion Labs, LLC

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active Ingredients (in each 5 mL)	Purposes
Acetaminophen 160 mg	Pain Reliever
Chlophedianol HCl 12.5 mg	Antitussive
Pyrilamine Maleate 12.5mg	Antihistamine

Uses

Temporarily relieves these symptoms due to the common cold, hay fever (allergic rhinitis) or other upper respiratory allergies:

- cough due to minor throat and bronchial irritation
- calms the cough control center and relieves coughing
- itching of the nose or throat
- itchy, watery eyes
- minor aches and pains
- temporarily reduces fever
- runny nose
- sneezing
- headache

Warnings

Liver Warning; This product contains acetaminophen. Severe Liver damage may occur if:

- adult takes more than 6 teaspoonfuls in 24 hours, which is the maximum daily amount
- child takes more than 5 doses in 24 hours
- taken with other drugs containing acetaminophen
- adult has 3 or more alcoholic drinks everyday while using this product
- Do not give to children under 3 years of age or use for more than 10 days unless directed by a physician
- May cause excitability especially in children

Ask a doctor or pharmacist before you use

- if you are taking sedatives or tranquilizers
- if the user has liver disease
- if user is taking the blood thinning drug warfarin
- if cough persists for more than 1 week, tends to recur or is accompanied by fever, rash, or persistent headache.

A persistent cough may be a sign of a serious condition

When using this product

- excitability may occur, especially in children
- may cause marked drowsiness
- avoid alcoholic drinks

- alcohol, sedatives, and tranquilizers may increase the drowsiness effect
- be careful when driving a motor vehicle or operating machinery

Stop use and ask a doctor if

- pain or cough gets worse or lasts more than 5 days (children) or 7 days (adults)
- new symptoms occur
- cough comes back or occurs with rash or headache that lasts.

These could be signs of serious condition.

DO NOT USE

- with any other drug containing Acetaminophen (prescription or nonprescription).
- if you are not sure whether a drug contains acetaminophen, ask a doctor or pharmacist.
- if you do not know if your prescription contains an MAOI, ask a doctor or pharmacist before taking this product.
- unless directed by a doctor, if you have breathing problems such as emphysema or chronic bronchitis, or if you have glaucoma or difficulty in urination due to an enlargement of the prostate gland or for persistent or chronic cough such as occurs with smoking, asthma, or emphysema, or if cough is accompanied by excessive phlegm (mucus)

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children.

In case of overdose, get medical help or contact Poison Control Center immediately.

Directions Do not exceed recommended dosage. Use calibrated measuring device for administering the drug to a child.

Adults and children 12 years of age and over:	2 teaspoonfuls (10mL) every 6 to 8 hours, not to exceed 6 teaspoonfuls in 24 hours, or as directed by a doctor.
Children 6 to under 12 years of age:	1 teaspoonful (5mL) every 6 to 8 hours, not to exceed 3 teaspoonfuls in 24 hours, or as directed by a doctor.
Children under 6 years of age:	Consult a doctor

Other Information

Store at 20° - 25°C (68°-77°F); excursions permitted to 15°- 30°C (59°- 86°F). [See USP Controlled Room Temperature].

Inactive Ingredients

Cotton Candy Flavor, Methylparaben, Polyethylene Glycol 400, Propylene Glycol, Propylparaben, Purified Water, Sodium Citrate, Sucralose
