

MG217 PSORIASIS MEDICATED CONDITIONING- coal tar shampoo
Wisconsin Pharmacal Company

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active Ingredient

Coal Tar 3% (from Coal Tar Topical Solution, USP 20%)

Purpose

Psoriasis, Seborrheic Dermatitis, Dandruff Treatment

Uses

For the temporary relief of these symptoms associated with psoriasis, seborrheic dermatitis or dandruff

- itching
- scaling
- flaking
- redness
- irritation of the scalp.

Helps prevent recurrence.

Warnings

For external use only

Ask a doctor before use

- if condition covers a large area of the body.

When using this product

- avoid contact with the eyes. If contact occurs, rinse eyes thoroughly with water.
- use caution in exposing skin to sunlight. It may increase your tendency to sunburn for up to 24 hours after application.
- do not use with other forms of psoriasis therapy such as ultraviolet radiation or prescription drugs unless directed by a physician.
- do not use for prolonged periods without consulting a physician.

Stop use and ask a doctor if

- condition worsens.
- condition does not improve after regular use of this product as directed.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center immediately.

WARNING: This product can expose you to chemicals including Coal Tar, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov

Directions

- shake well before using.
- wet hair then massage liberal amount of MG217 into the scalp and leave on for several minutes. Rinse thoroughly.
- for best results, use at least twice a week or as directed by a physician.

Inactive ingredients

Deionized Water, Sodium Lauryl Ether Sulfate, Cocamidopropyl Betaine, Lauramidopropyl Hydroxysultaine, Palmitic Betaine, Guar Hydroxypropyl-trimonium Chloride, Hydrolyzed Collagen, Phenoxyethanol, Methyl Paraben, n-Butyl Paraben, Ethyl Paraben, Isobutyl Paraben, Propyl Paraben, Fragrance, FD&C Blue #1
