

NEUTROGENA ON-THE-SPOT ACNE TREATMENT VANISHING FORMULA- benzoyl peroxide cream
Kenvue Brands LLC

Neutrogena® On-the-Spot® Acne Treatment
Drug Facts

Active Ingredients

Benzoyl Peroxide (2.5%)

Purpose

Acne Medication

Use

For the treatment of acne.

Warnings

For external use only.

When using this product

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- Avoid unnecessary sun exposure and use a sunscreen.
- Avoid contact with the eyes, lips and mouth.
- Avoid contact with hair or dyed fabrics, which may be bleached by this product.
- Skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Do not use if you

- Have very sensitive skin.
- Are sensitive to benzoyl peroxide.

Stop use and ask a doctor if

- Irritation becomes severe.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Other Information

- Store at 20°C to 25°C (68°F - 77° F)

Inactive Ingredients

Water, Carbomer Homopolymer type B, Ethylhexylglycerin, Sodium Hydroxide, Chlorphenesin, Disodium EDTA, Laureth-4, Hydroxypropyl Methylcellulose

VANISHING CREAM FORMULA

ABSORBS QUICKLY, WORKS INVISIBLY

Some medicated spot treatments contain 10% benzoyl peroxide that can irritate skin, causing redness and dryness which can make acne worse. Neutrogena® On-the-Spot® Acne Treatment is clinically proven to be strong and effective in fighting acne while gentle on skin.

**CLINICALLY PROVEN
EFFECTIVENESS WITH NO
BURNING; WON'T DRY OUT SKIN**

Neutrogena® On-the-Spot® Acne Treatment contains just 2.5% benzoyl peroxide, yet is clinically proven to be so effective that skin starts getting clearer on day 1 — all without over-drying, stinging or burning skin. This fast working

formula is so lightweight that it quickly absorbs into skin. It goes deep down in the pores to kill the acne bacteria that cause pimples and helps to prevent new ones from forming.

**WORKS HARD HOUR AFTER HOUR
TO KEEP SKIN HEALTHY-LOOKING**

Helps relieve redness of acne pimples without over-drying skin.

Long-lasting protection.

Works hour after hour to treat acne all day long.
