Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

St. Ives Blackhead Clearing Green Tea Scrub

Active ingredient

Salicylic Acid (1%)

Purpose

Acne Treatment

Uses

- For the treatment of acne
- Helps prevent new blackheads and acne blemishes from forming

Warnings

For external use only.

When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions · Clean the skin thoroughly before applying this product. · Cover the entire affected area with a thin layer and rinse thoroughly one to three times daily. · Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. · If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
