Rxhomeo Private Limited d.b.a.

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

ACTIVE INGREDIENT

AVENA SATIVA HPUS 1X and higher

KALI PHOSPHORICUM HPUS 1X and higher

USES

A homeopathic combination pack with two single remedies Avena Sativa and Kali Phosphoricum for relief of symptoms associated with stress.

Avena Sativa: Avena Sativa is a effective nerve and brain tonic hence very useful in relieving stress. It is used for nervous exhaustion, and acts as best tonic after exhausting diseases. Avena Sativa is also useful in treating nervous headaches. There is inability to keep mind on any one subject.

Kali Phosphoricum: Kali Phosphoricum is useful remedy for relieving stress. The patient is very nervous, depressed and general irritability. There is great despondency about business and loss of memory. Indisposition to meet people. The patient is shy with no inclination to converse. Kali Phosphoricum also helps in headache of students and those worn out by fatigue.

INDICATIONS

Condition listed above or as directed by the physician

DOSAGE

Adults: Take 4-5 pellets or tablets orally by mouth and allow them to dissolve on tongue. Repeat at least 3 times a day, about 30 minutes before or after food. Similarly take the second remedy after a gap of 30 minutes, make sure to remember the sequence.

Children: Half of the adult dose.
