Acne Treatment

Topical

Micro-Exfoliating Cleanser

This detoxifying cleanser gently exfoliates dead skin cells to brighten skin tone, treat acne and shrink pore appearance. 2% salicylic acid removes impurities and organic coconut oil hydrates and nourishes skin. For all skin types except rosacea and post-procedure skin.

Directions

Massage onto wet skin, avoiding eyes. Leave on for 10 seconds. Rinse off thoroughly with 10 splashes of lukewarm water. Follow with a Dr. Loretta serum. Use AM and PM. Can be used on face and body.

Drug Facts

Active ingredient	Purpose
Salicylic Acid 2%	Acne Treatment

Use for the management of acne.

Warnings

For external use only.

When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

When using this product avoid contact with eyes. If contact occurs, flush thoroughly with water.

Do not use if allergic to aspirin.

Never apply to red, irritated or peeling skin.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

If pregnant or breastfeeding, ask a health professional before use.

Directions Massage onto wet skin, avoiding eyes. Leave on for 10 seconds. Rinse off thoroughly with 10 splashes of lukewarm water. Use AM and PM. Can be used on face and body.

Dr Loretta®

Micro-Exfoliating Cleanser

Brightens skin and removes dead cells

2% Salicylic Acid

e 6.7 fl oz / 200 mL

Protects against the external factors that contribute to aging:

- Pollution
- Light
- Climate
- Irritants

Skin Unexposed®

As a dermatologist, my passion is helping women feel confident as they age. That's why I've created the first skincare line that protects from the four external factors responsible for more than 85% of skin aging — pollution, light, climate and irritants. My products combine high concentrations of medical grade actives, aromatherapy and botanical ingredients to keep your skin unexposed to these external factors, ensuring healthier, more youthful skin.
