Universal Distribution Center LLC

4% Menthol PAIN RELIEF GEL

Drug facts

Active ingredient

Menthol 4%

Purpose

Pain Relief Gel

Uses

Temporarily relieves minor aches and pains of muscles and joints associated with:

• simple backache • arthritis • strains • bruises • sprains

Warnings

For external use only.

Flammable: Keep away from excessive heat or open flame

When using this product • use only as directed • avoid contact with the eyes or on mucous membranes • do not apply to wounds or damaged skin • do not apply to irritated skin or if excessive irritation develops • do not bandage tightly or use with heating pad or device

Stop use and ask a doctor if • you experience pain, swelling or blistering of the skin • condition worsens, or if symptoms persist for more than 7 days or clear up and occur again within a few days • arthritic pain persists for more than 10 days, or redness is present, or in conditions affecting children under 12 years of age

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

• adults and children 12 years of age and older: rub a thin film over affected area not more than 3 to 4 times daily • children under 12 years of age: consult a physician • wash hands after use with cool water

Other information

Store at room temperature • Protect from direct sunlight.
