Uses

Temporarily relieves the symptoms of simple, dry, tight or tickling coughs due to colds in children.*

*These claims have not been reviewed by the Food and Drug Administration. They are based on traditional homeopathic practice.

Warnings

As with any drug, ask a doctor before use if pregnant or nursing.

Stop use and ask a doctor if • symptoms persist for more than 48 hours or worsen • cough tends to recur or is accompanied by a high fever, rash or persistent headache.

Keep this and all medications out of the reach of children. □In case of emergency or accidental overdose, contact a medical professional or a poison control center immediately.

Do not use this product for persistent or chronic cough such as asthma, smoking or emphysema, or if cough is accompanied by excessive mucus, unless directed by a licensed health care professional. **A persistent cough may be a sign of a serious condition.**

Do not use if seal under bottle cap is broken or missing.

Directions

Measure only with the dosing syringe provided.

Do not use dosing syringe with other products.

On dosing syringe, tsp = teaspoon.

Children under 6 months of age: Consult a licensed health care professional before using this product.

Children 6 months to 1 year of age: 2.5 ml or 1/2 teaspoon up to 4 times a day (every 6 hours), or as directed by a licensed health care professional.

Children 1 to 3 years of age: 5 ml or 1 teaspoon up to 6 times a day (every 4 hours), or as directed by a licensed health care professional.

Other information

Store at room temperature (68°-77°F).

Inactive ingredients

Purified water, sorbitol, sodium benzoate, potassium sorbate, citric acid.
