

POVIOFIX ANTISEPTIC- povidone-iodine solution
NATUREL MEDIKAL ILAC SANAYI VE TICARET LIMITED SIRKETI

POVIOFIX Antiseptic

Drug Facts

Active ingredient

Povidone-iodine 10%

Purpose

Antiseptic

Uses

- Surgical hand scrub: significantly reduces the number of micro-organisms on the hands and forearms prior to surgery or patient care.
- Patient preoperative skin preparation: for preparation of the skin prior to surgery. Helps reduce bacteria that potentially can cause skin infection.
- First aid to help decrease the risk of infection in minor cuts, scrapes, and burns.

Warnings

For external use only

Do not use

- in the eyes - over large areas of the body - longer than 1 week unless directed by a doctor - if you are allergic to iodine

Ask a doctor before use if you have

deep or puncture wounds, animal bites, or serious burns

Stop use and ask a doctor if

irritation and redness develop. If condition persists for more than 72 hours consult a doctor.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Surgical hand scrub (for use without water):

Patient preoperative skin preparation:

First-aid antiseptic:

- clean under nails with a nail pick
- nails should be maintained with a 1 millimeter free edge
- place a 'palmful' (5 grams) of product in one hand spread on both hands, paying particular attention to the nails, cuticles, and interdigital spaces, and rub into the skin until dry (approximately 1 to 2 minutes)
- place a smaller amount (2.5 grams) into one hand, spread over both hands to wrist, and rub into the skin until dry (approximately 30 seconds)

- clean the area
- apply product to the operative site prior to surgery

- clean the affected area. May be covered with a sterile bandage.
- If bandaged, let dry first.
- If used as a wet compress bandage lightly. Keep bandage wet with solution.

Other information

- keep the product under 77°F (25°F) and away from food and children
- keep product sealed after opening

Inactive ingredients

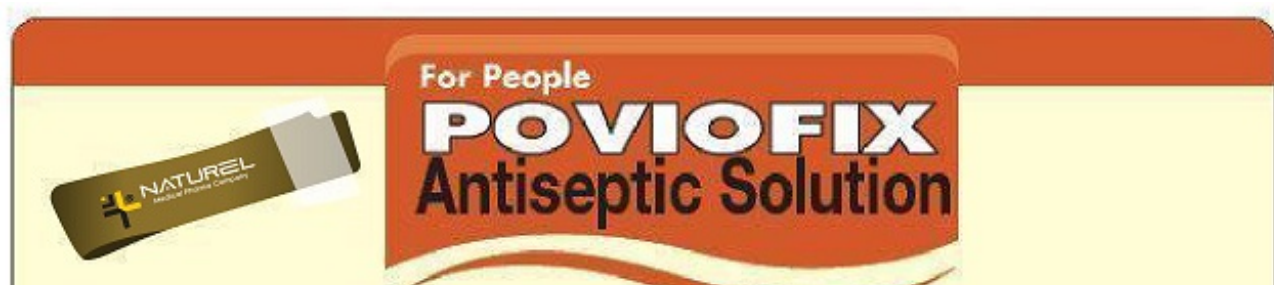

denatured ethyl alcohol, glycerin, polysorbate 20, potassium iodine, trisodium citrate
