Hexi Dip 110

Hexi Dip 110

Hexi-Dip 110™ is a post-milking sanitizing teat dip that aids in the prevention of the spread of mastitis causing organisms. It's powerful 1.0% Chlorhexidine Gluconate concentration assures strong germicidal activity while ample amounts of special skin emollients keep teats soft and smooth.

Use instructions:

Immediately after removing inflations, immerse each teat in undiluted **Hexi-Dip 110™**.

Allow the teats to air dry. Do not wipe.

Replace the solution if it becomes visibly dirty.

Keep from freezing. If frozen, thaw completely and shake well before using.

Caution:

Hazard statement(s):

May be harmful if swallowed. May cause eye irritation.

Precautionary statement(s):

Do not eat, drink or smoke while using this product. Wear protective clothing, and eye and face protection.

Hazards not otherwise classified: None Known

First Aid:

External: If irritation occurs, flush with plenty of cool, running water for at least 15 minutes while removing contaminated clothing and shoes. Wash clothing before reuse.

Eyes: Immediately flush with plenty of cool, running water. Remove contact lenses; then continue flushing for at least 15 minutes, holding eyelids apart.

Internal: Call a physician immediately. If swallowed, do not induce vomiting. Rinse mouth, then immediately drink one or two large glasses of water or milk. Never give anything by mouth to an unconscious person.

Inhalation of vapors: Should not occur with proper use of this product.

Most important symptoms/effects, acute and delayed: None known

Immediate medical attention and special treatment needed, if any: None known
