

SUNDAY RILEY PEACEKEEPER ACNE TREATMENT SERUM- salicylic acid liquid
Sunday Riley Modern Skincare, LLC

SUNDAY RILEY PEACEKEEPER ACNE TREATMENT SERUM

Drug Facts

Active ingredient

Salicylic Acid 2%

Purpose

Acne treatment

Uses

- For the management of acne
- Penetrates pores to control blackheads
- Helps prevent new acne blemishes and blackheads from forming

Warnings

For external use only

When using this product

- Using other topical acne drugs at the same time or right after use of this product may increase dryness or irritation of the skin.
- If this occurs, only one medication should be used unless directed by a doctor.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Cleanse the skin thoroughly before applying medication.
- Cover the entire affected area with a thin layer 1 to 3 times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor.
- If bothersome dryness occurs, reduce application to once a day or every other day.

Inactive ingredients

Water/Eau/Aqua, Aloe Barbadensis Leaf Juice, Octyldodecanol, Azelaic Acid, Algin, Dimethyl Isosorbide, Neopentyl Glycol Diethylhexanoate, Glycerin, Propanediol, Distearidimonium Hectorite, Azelamidopropyl Dimethyl Amine, Sodium

Polyacryloyldimethyl Taurate, Sodium PCA, Potassium Azeloyl Diglycinate, Beta-Glucan, Carrageenan, Leptospermum Scoparium Branch/Leaf Oil, Magnolia Officinalis Bark Extract, Piper Nigrum Seed Extract, Sodium Hyaluronate Crosspolymer, Potassium Hydroxide, Phenoxyethanol, Propylene Carbonate, Kaolin, Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Butylene Glycol, Erythritol, Potassium Lactate, Caprylyl Glycol, Chlorphenesin, Ethylhexylglycerin, Xanthan Gum, Sodium Phytate, Citric Acid, Benzoic Acid, Sodium Hydroxide, Sorbic Acid, Polysorbate 60, Sorbitan Isostearate, Pentyleneglycol, 1,2-Hexanediol, Sodium Benzoate.

*2% Salicylic Acid, 8% Azelaic Acid,
Beta Glucan, + Magnolia Bark*

Holistic serum for acne-prone skin, eliminating breakouts and the look of acne-related redness, while restoring harmony to sensitive, disrupted skin.

Peacekeeper Acne Treatment Serum is an advanced solution for acne-prone skin, designed to help your skin feel supported, not stressed, while treating and preventing breakouts. Featuring 2% salicylic acid, this serum dives deep into pores to clear congestion and prevent future breakouts. 8% azelaic acid is a triple threat to congested skin: helping to prevent dead skin cells from clogging pores, actively reducing the look of redness associated with acne and post-acne marks, and multi-tasking to keep the skin's biome balanced and in check (which can get disrupted due to hormones). Beta glucan delivers calming relief, reducing the look of irritation. Magnolia bark extract enhances this soothing effect, promoting skin harmony. Zapping breakouts, supporting a balanced microbiome, and reducing the look of surface redness and discoloration, Peacekeeper gently helps your skin to move forward to a clearer future.

With Key Ingredients:

SALICYLIC ACID (ACTIVE INGREDIENT): Penetrates pores to clear acne blemishes and prevent new ones from forming.

AZELAIC ACID: Prevents dead skin cells from clogging pores by removing them from the surface, supports a balanced microbiome, and reduces the look of visible redness associated with acne.

BETA GLUCAN: Calms and soothes the look of irritated skin.

MAGNOLIA BARK EXTRACT: Helps reduce the look of visible redness and supports a more comfortable complexion.

DIRECTIONS: Use 1-2 pumps as needed, once or twice a day, to clear up and prevent future breakouts.

This daily use serum is a holistic solution for, acne-prone skin, designed to thoroughly treat and prevent breakouts while supporting your skin's natural balance. Powered by 2% salicylic acid to clear pores and 8% azelaic acid to calm the look of acne and post-acne related surface redness, while promoting a healthy microbiome. Soothing beta glucan and magnolia bark extract help reduce the look of irritation, leaving your skin feeling supported, not stressed.
