Colgate-Palmolive Company

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Colgate® Sensitive Prevent & Repair™ with Whitening Toothpaste

Drug Facts

Active ingredients	Purpose
Potassium nitrate 5%	Antisensitivity
Sodium fluoride 0.24% (0.14% w/v fluoride ion)	Anticavity

Uses

- builds increasing protection against painful sensitivity of the teeth to cold, heat, acids, sweets or contact
- helps protect against cavities

Warnings

When using this product, if pain/sensitivity still persists after 4 weeks of use, please visit your dentist.

Stop use and ask a dentist if the problem persists or worsens. Sensitive teeth may indicate a serious problem that may need prompt care by a dentist.

Keep out of reach of children. If more than used for brushing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

Directions

adults and children 12 years of age and older	apply at least a 1-inch strip of the product onto a soft bristle toothbrush. Brush teeth thoroughly for at least 1 minute twice a day (morning and evening) or as recommended by a dentist or physician. Make sure to brush all sensitive areas of the teeth.
children under 12 years	consult a dentist or physician

Inactive ingredients

water, hydrated silica, glycerin, sorbitol, PEG-12, PVM/MA copolymer, sodium lauryl sulfate, flavor, poloxamer 407, trisodium phosphate, sodium hydroxide, cellulose gum, sodium saccharin, xanthan gum, titanium dioxide

Colgate®

Sensitive

Prevent & Repair™ WITH whitening

Where does sensitive tooth pain come from?

Receding gums and damage to your enamel can expose thousands of microscopic channels which lead to your tooth's nerve center. When your teeth make contact with something hot, cold, or sweet, sensations are carried down these channels directly to the nerves, causing pain.

The advanced dual action formula of Colgate® Sensitive Prevent & Repair™

- ✓ Helps prevent painful sensitivity with a clinically proven formula
- ✓ Helps repair weakened parts of sensitive teeth and strengthen enamel with fluoride

How does Colgate® Sensitive Prevent & Repair™ work?

Colgate® Sensitive Prevent & Repair™ is a clinically proven formula that works fast, within 2 weeks, and provides long-lasting sensitivity relief and builds a protective shield to help prevent painful sensitivity with regular use.

* Maximum strength FDA allowed antisensitivity active ingredient
