ACNE CONTROL

Clarifying Cream Cleanser

for balanced to dry skin

0.5% salicylic acid

acne treatment

e 148 mL NET VOL 5.0 FL OZ

STEP 1 Cleanse

Rich, creamy cleanser for balanced-to-dry skin treats and prevents blemishes as it conditions. Encapsulated salicylic acid releases acne medicine immediately and over time to extend clearing benefits beyond rinse-off. Hyaluronic acid and an amino acid blend mimic skin's natural moisturizing factors to balance and help retain hydration for smoother, softer skin.

DOCTOR'S TIP: To prevent acne cosmetics (makeup-triggered breakouts), always cleanse to remove makeup.

TO USE: AM and PM. Massage over dampened face and neck. Rinse and pat dry.
