-----

#### Ultra Strength BENGAY® Pain Relieving Patch

**Drug Facts** 

#### Active ingredient

Menthol 5%

## Purpose

Topical analgesic

#### Uses

- temporarily relieves minor aches and pains of muscles and joints associated with:
  - simple backache
  - arthritis
  - strains
  - bruises
  - sprains

## Warnings

#### For external use only.

#### Do not use

- on wounds or damaged skin
- with a heating pad
- on a child under 12 years of age with arthritis-like conditions

## Ask a doctor before use if you have

redness over the affected area

## When using this product

- avoid contact with eyes or mucous membranes
- do not bandage tightly

#### Stop use and ask a doctor if

- condition worsens or symptoms persist for more than 7 days
- symptoms clear up and occur again within a few days
- excessive skin irritation occurs

**Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center immediately.

#### Directions

- open pouch and remove patch
- if desired, cut patch to size
- peel off protective backing and apply sticky side to affected area
- adults and children 12 years of age and older: apply to affected area not more than 3 to 4 times daily
- children under 12 years of age: consult a doctor

#### Other information

store at 20° to 25°C (68° to 77°F)

## Inactive ingredients

calcined kaolin, cellulose gum, glycerin, methyl acrylate/2-ethylhexyl acrylate copolymer, methylparaben, polyacrylic acid, polysorbate 80, propylparaben, silica, sodium polyacrylate, sodium polyacrylate starch, sorbitan oleate, sorbitol, tartaric acid, titanium dioxide, water
