

**KONIX HAND ANTISEPTIC- konix hand antiseptic spray aerosol, spray**  
**Turkuaz Saglik Hizmetleri Medikal Temizlik Kimyasal Urunler**

*Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.*

-----

**Konix Hand Antiseptic Spray**

**Active Ingredient(s)**

Ethyl Alcohol 70%

**Purpose**

Antiseptic

**Use**

Hand sanitizer recommended for repeated use to help reduce bacteria that potentially can cause disease. For use when soap and water are not available.

**For External use only**

Flammable. Keep away from open flame and source of heat. Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat.

**Do not use**

on open skin wounds

**When using this product**

Do not puncture or incinerate container. Do not inhale or ingest. Keep out of eyes, ears and mouth. If contact occurs, rinse thoroughly with water.

**Stop use and ask a doctor**

if irritation develops

**Keep out of reach of children.**

If swallowed, call a Poison Control Center right away

**Directions**

Spray enough product on hands to cover all surfaces. Spray from a distance of 4 inches (10cm) for general use. Rub hands together for 30 seconds until they feel dry. Supervise children under 6 years of age when using this product to avoid swallowing.

**Other Information**

Store at room temperature 5-30C (41-86F). Avoid freezing and excessive heat above 40 C ( 104F). Do

not reuse container. Dispose of properly.
