

COLD AND HOT MEDICATED- menthol patch
The Mentholatum Company

Drug Facts - Cold and Hot Medicated

Active ingredient

Menthol 5%

Purpose

Menthol - Topical analgesic

Uses

temporarily relieves minor aches and pains of muscles and joints due to

- arthritis
- simple backache
- strains
- sprains
- bursitis
- tendonitis
- bruises
- cramps

Warnings

For external use only

When using this product

- use only as directed
- avoid contact with eyes or on mucous membranes
- do not apply to wounds or to damaged or very sensitive skin
- do not bandage tightly or use with a heating pad

Stop use and ask a doctor if

- excessive redness or irritation is present
- condition worsens
- pain persist for more than 7 days
- symptoms clear up and occur again within a few days

If pregnant or breast-feeding,

ask a health professional before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 12 years and over: apply patch to affected area as needed but not more than 4 times daily
- children under 12 years: ask a doctor
- for easy application; partially peel back protective film and apply exposed patch to site of pain. Carefully remove remaining film while pressing patch to skin.
