NUORI MINERAL DEFENCE SUNSCREEN SPF 30

Drug Facts

Active Ingredients

Zinc Oxide 23%

Purpose: Sunscreen

Uses

- Helps prevent sunburn
- Higher SPF gives more sunburn protection
- If used as directed with other sun protection measures (see **Directions**), decreases the risk of skin cancer and early skin aging caused by the sun

Warnings

For external use only

Do not use on damaged or broken skin.

Keep out of the reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

When using this product keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor if rash occurs.

Directions

- Apply liberally on clean, moisturized skin 15 minutes before sun exposure.
- Reapply at least every 2 hours.
- For daily use, allow product to absorb completely before applying makeup.
- Use a water resistant sunscreen if swimming or sweating.
- **Sun Protection Measures.** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including:
 - Limit time in the sun, especially from 10 a.m.-2 p.m.
 - Wear long-sleeved shirts, pants, hats and sunglasses.

- Children under 6 months of age: ask a doctor.

Inactive ingredients

Aqua (water), caprylic/capric triglyceride, caprylyl caprylate/caprinate, glycerin, silica, arachidyl alcohol, cetearyl alcohol, pongamia glabra (karanja) seed oil, helianthus annuus (sunflower) seed oil, daucus carota sativa (carrot) seed oil, daucus carota sativa (carrot) root extract, pinus pinaster (french maritime pine) bark extract, cetearyl olivate, sorbitan olivate, glyceryl oleate, microcrystalline cellulose, behenyl alcohol, arachidyl glucoside, coco-glucoside, lecithin, polyglyceryl-3 polyricinoleate, hydrogenated palm glycerides citrate, polyhydroxystearic acid, isostearic acid, tocopheryl acetate (vitamin e), ascorbyl palmitate, tocopherol (vitamin e), beta-carotene, glucose, xanthan gum, cellulose gum, citric acid, sodium chloride, hydroxyacetophenone, benzyl alcohol.

Other information

- Protect the product in this container from excessive heat and direct sun
- You may report a serious adverse reaction to: NUORI Inc., 228 Park Ave S, Ste 300, New York, NY 10003

BROAD SPECTRUM SPF 30
UVA & UVB
ALL-NATURAL
PROVEN RESULTS
50ml 1.7floz

PROVEN RESULTS

An advanced, all-natural sunscreen with broad spectrum protection and anti-aging benefits. Leaves skin with a soft, primer-like finish. Ideal for everyday use.

High protection against UVA and UVB rays— with zinc-nano zinc oxide / Protects against premature aging and oxidative stress— with French maritime pine bark extract, licorice and carrot oils / All-natural, fragrance free formula—for all skin types, including sensitive skin.

DIRECTIONS

Apply liberally and evenly on clean, moisturized skin 15 minutes before sun exposure. For daily use, allow product to absorb completely before applying makeup. Reapply frequently and generously to maintain protection, especially after perspiring or toweling. Using an insufficient amount of the product will lower the level of protection significantly.

GOOD ADVICE

Do not stay too long in the sun, even while using a sunscreen product. Over-exposure to the sun is a serious health threat. Keep babies and young children out of direct sunlight.

FRESH SKINCARE

NUORI is the first all-natural brand delivering scientifically proven results. We ensure the highest efficacy and purity of our formula by freshly blending products in small batches. As a sign of our commitment to freshness, we mark all NUORI products with:

FRESH BATCH NUMBER:
SEE STAMPED ON FRONT OF PACK

EXPIRY DATE:
SEE INNER CONTAINER

After this date you should replace your NUORI product with a fresh one.

ALL-NATURAL

NUORI's formulas are made using only the best natural and pure ingredients. Read more about our ingredient philosophy at NUORI.COM.

CONSEILS D'UTILISATION

Appliquez généreusement et uniformément sur la peau propre et hydratée 15 minutes avant l'exposition au soleil. Dans le cadre d'une utilisation quotidienne, attendez l'absorption complète du produit avant de vous maquiller. Réappliquez fréquemment et généreusement pour maintenir la protection, surtout après avoir transpiré ou s'être essuyé. L'application d'une quantité de produit insuffisante diminue nettement le niveau de protection.

RECOMMANDATIONS IMPORTANTES

Ne restez pas trop longtemps au soleil, même si vous utilisez un produit de protection solaire. La surexposition au soleil est une menace sérieuse pour la santé. N'exposez pas les bébés et jeunes enfants directement au soleil.
