Description:

PureVita Vitamin B6 (Pyroxidine HCL) supports brain health, mood regulation and cognitive function by aiding neurotransmitter production. It helps maintain a healthy immune system, supports energy metabolism and is essential for red blood cell formation.

This listed product is not a National Drug Code, but instead has merely been formatted to comply with standard industry practice for pharmacy and insurance computer systems.

Warnings:

Do not use if safety seal has been broken or is missing. Keep out of direct light or heat.
KEEP OUT OF THE REACH OF CHILDREN.

Product contains no yeast, starch, wheat, soy, gluten, eggs, salt or dairy.

Dosage and Administration:

Usual adult dose is 2 dropperfuls or 2 mL daily. For the best results, the product should be taken daily. Product has been sealed for your protection.

Precautions:

PureVita Vitamin B6 is supplied as clear, white liquid
