Rugby Laboratories, Inc.

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active ingredient	Purpose
Purified water (99.05%).....	Eyewash

Uses

washes the eye to help relieve

- irritation

- stinging

- itching

by removing

- loose foreign material

- air pollutants (smog or pollen)

- chlorinated water

Warnings

Do not use

if solution changes color or becomes cloudy

When using this product

- remove contact lenses before using

- do not touch tip of container to any surface to avoid contamination

- replace cap after use

- you experience eye pain, changes in vision, continued redness or irritation of the eye

- condition worsens or persists

- you have open wounds in or near the eye

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- flush the affected eye(s) as needed

- control the rate of flow of solution by placing pressure on the bottle

When using an eye cup

- rinse the cup with clean water immediately before each use

- avoid contamination of the rim and inside surfaces of the cup

- fill the cup half full and apply the cup to the affected eye(s), pressing tightly to prevent the escape of the liquid

- tilt the head backward. Open eyelids wide and rotate eyeball to ensure thorough bathing with the wash or lotion

- rinse the cup with clean water after each use

Other Information

- store at 15° - 25°C (59° - 77°F)
