silicon dioxide, tocopherol acetate

For dental care

Activated Charcoal helps removing bad breath, stains, and plaque. Keeps your mouth clean, whiter and firm. Refreshes your mouth and prevents tooth decay, gingivitis, periodontal disease, periodontal disease, gum disease.

Keep out of reach of children

A proper amount of toothpaste is put on the toothbrush and the tooth is cleaned by brushing.

Cover your teeth with toothpaste using toothbrush(paste it on teeth). Wait for 1~2minute to let it absorb smell and stains. Afterwards, brush your teeth just like normal toothpaste.

### **Storage method**

1. Keep it at room temperature in a classified container.
2. Cover and store at room temperature.
3. Store in a not moisture and cool place.
4. Air may come out during use of this product, but there is no problem with its weight.

### **Usage Precautions**

1. Be careful not to swallow. Rinse mouth thoroughly after use
2. If the use of toothpaste causes abnormalities such as gums or mouth injury, discontinue use and consult a doctor or dentist.
3. For children under 6 years of age, use a small amount of toothpaste as small as pea per use, and use under the guidance of a guardian to avoid sucking or swallowing.
4. If a child under 6 years old swallows large amount, consult with a doctor or dentist immediately.
5. Keep out of the reach of children under 6 years of age.
