Ting Cream for athletes foot

Active Ingredient (Each 100 g contains:)

Purpose

Undecylenic Acid Antifungal

Triclosan Antibacterial

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Uses

- TING® CREAM kills fungi that cause athlete's foot and effectively eliminates odor-causing bacteria (deodorant).
- TING® CREAM has double action: anti-fungal (fungicide) and bacteria (antiseptic).
- TING® CREAM quickly eliminates sweating, itching, odor, burning and cracking.

Warnings

Do not use in patients allergic to the formula, or near the eyes and/or mucous membranes, do not administer to children under 2 years of age.

Side effects: There may appear slight manifestations of the local irritation.

If symptoms persist consult your physician.

Directions

- Before applying TING ® CREAM wash your feet with soap and water and dry thoroughly.
- Apply TING ® CREAM gently rub it on the affected area in the morning and at bedtime.
- It is very important to pay special attention to spaces between the toes.

Once you have cleared the lesions and symptoms treatment should be continued 15 days.

Inactive ingredient

None
