Arm & Hammer Athlete's Foot 2-Way Spray

Active Ingredient

Tolnaftate 1%

Purpose

Antifungal

Uses

- proven clinically effective in the treatment of most athlete's foot (tinea pedis) and ringworm (tinea corporis)
- prevents the recurrence of most athlete's foot with daily use
- for effective relief of itching, cracking and burning

Warnings

For external use only.

Extremely flammable:

Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting. Use only as directed. Intentional misuses by deliberately concentrating and inhaling the contents can be harmful or fatal.

When using this product

- avoid contact with the eyes or mouth

Stop use and ask a doctor if

- irritation occurs
- no improvement within 4 weeks

Do not use

on children under 2 years of age unless directed by a doctor.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- shake well before use
- wash affected area and dry thoroughly
- hold can 4-6 inches away from affected area
- spray a thin layer of the product over affected area twice daily (morning and night) or as directed by a doctor

- supervise children in the use of this product
- for athlete's foot, pay special attention to spaces between the toes; wear well-fitting, ventilated shoes, and change shoes and socks at least once daily
- use daily for 4 weeks for athlete's foot and ringworm
- if condition persists longer, consult a doctor
- this product is not effective on the scalp or nails
- if nozzle clogs, clean with a pin

Other information

- store between 20° and 30°C (68° and 86°F)
- for targeted application between toes, rotate straw 180° and lock in place
- for all-over application, keep straw in a locked position
