lontera, Inc**

PATCHOLOGY BREAKOUT BOX 3-IN-1 ACNE TREATMENT KIT

Drug Facts

Active ingredient(s)

Salicylic Acid 0.5%

Purpose

Acne Treatment

Use

For the treatment of acne

Warnings

For external use only

When using this product skin irritation and dryness is likely to occur if you use another topical acne product at the same time. If irritation occurs, only one medication should be used.

Do not use if you are allergic to the dressing or to any of the components.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Cleanse thoroughly before applying medication.
- Apply the sticker on the affected areas. Because excessive drying of the skin may occur, start with one application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- Sensitivity test for a new user: Apply product to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated above.

Inactive ingredients

Acrylates Copolymer, Vinyl Caprolactam/VP/Dimethylaminoethyl Methacrylate Copolymer, Water (Aqua/Eau), Alcohol Denat., Melaleuca Alternifolia (Tea Tree) Leaf Oil, Epilobium Angustifolium Flower/Leaf/Stem Extract, Volcanic Ash, Sodium Hyaluronate, Vitis Vinifera

(Grape) Seed Extract, Sodium Metabisulfite, Butylene Glycol, Phytosphingosine, Phenoxyethanol, Polysorbate 80, PVP.

DIRECTIONS

ABSORBING HYDROCOLLOID DOTS
Make sure the area is clean. Peel dot from plastic backing. Cover affected area with dot, pressing to ensure even contact with skin. Allow dot to remain in place for at least 6 hours, or overnight. Remove and discard dot, then feel free to say something like, "gotcha, sucker."

DETOXIFYING CHARCOAL NOSE STRIPS
Start with a clean face. Thoroughly wet nose to activate adhesive. Peel plastic backing from strip and apply to nose, smooth side down. Press to ensure even contact with skin. Allow strip to dry in place for 10-15 minutes, until stiff. Gently peel off strip, starting at edges and pulling toward center. Rinse residue and gleefully inspect strip for evidence of gunk.

patchology

pure pore perfection

BREAKOUT BOX

3-IN-1 ACNE TREATMENT KIT

+

- 24 BLEMISH SHRINKING* SALICYLIC ACID DOTS
- 24 ABSORBING HYDROCOLLOID DOTS
- 3 DETOXIFYING CHARCOAL NOSE STRIPS

patchology

3-IN-1 ACNE TREATMENT KIT
Gentle and effective ingredients meet customized pore care in this trio of mighty little spot-tamers. Clear up acne, de-clog skin, and start healing your blemishes in a matter of hours. You're just one box away from total pore clarity.

ABSORBING HYDROCOLLOID DOTS
The ick eraser. When whiteheads pop up and you need next-level pore vacuuming, these medical grade hydrocolloid patches work double, absorbing the gunk while protecting from fidgety fingers. Extract impurities, and start the healing process, stat.

DETOXIFYING CHARCOAL NOSE STRIPS
The blockage blaster. Prepare for pore purging at its most satisfying. Evacuate dirt, excess sebum, and dead skin cells to decongest and minimize the appearance of enlarged pores. Charcoal and Moroccan Lava Clay act as a magnet for deep-down grime, while Witch Hazel casts an invisibility spell on oil and redness. Peel and reveal.

BLEMISH SHRINKING* SALICYLIC ACID DOTS

Drug Facts

Active ingredient(s) *Aspirin Salicylic Acid (USP), Acne treatment*

Uses *For the treatment of acne.*
