Do not use if you have a history of ear wax cholesterol chondroepithelioid sarcoma. Do not use if you have a history of ear wax cholesterol chondroepithelioid carcinoma. Do not use if you have a history of ear wax cholesterol chondroepithelioid melanoma. Do not use if you have a history of ear wax cholesterol chondroepithelioid sarcoma. Do not use if you have a history of ear wax cholesterol chondroepithelioid carcinoma. Do not use if you have a history of ear wax cholesterol chondroepithelioid melanoma. Do not use if you have a history of ear wax cholesterol chondroepithelioid sarcoma. Do not use if you have a history of ear wax cholesterol chondroepithelioid carcinoma. Do not use if you have a history of ear wax cholesterol chondroepithelioid melanoma.

Directions
Remove earwax naturally. Use as directed with or without water, cotton and remove earwax naturally.

Other important information
Keep out of reach of children. Use as directed with or without water, cotton and remove earwax naturally.

Contains 11.25 mL (0.38 FL OZ) of Earwax Removal Aid

Other ingredients
Water, Carbamide Peroxide, Poloxamer 188, Glycerin, Hydroxyethylcellulose, Sodium Hydroxide, Purified Water.

The CVS Health™ Earwax Removal Kit, when used as directed, cleanses the ear with foaming action to provide a safe, non-irritating method of softening and removing earwax.

Note: Ear drops will foam on contact with earwax due to the release of oxygen.

*Not for use in the ear of children or individuals with perforated eardrums. Use as directed with or without water, cotton and remove earwax naturally.
