Allergiemittel Tablets

Active Ingredients

Cardiospermum halicacabum 3X

Galphimia glauca 3X

Luffa operculata 5X

Inactive Ingredients

Cellulose

Lactose Monohydrate

Magnesium Stearate

Purpose

Temporarily relieves minor allergic symptoms: sneezing, runny, stuffy, itchy nose, red, itchy, watery eyes, scratchy throat.

Indications and Usage

Temporarily relieves minor allergic symptoms: sneezing; runny, stuffy, itchy nose, red, itchy, watery eyes, scratchy throat.

Dosage & Administration

Directions:

Sublingual medication. Place under tongue and let dissolve.

Take before exposure to allergen or as soon after symptoms appear as possible at least 15 minutes before or 30 minutes after eating, brushing teeth, or drinking anything except water.

Preventative use, take 4-6 weeks before allergy season starts, 1 tablet 3 times a day.

Adults and children 12 years of age and older: Take 1 tablet every hour until symptoms subside, then 1 tablet 3 times a day until relieved.

Children 6-12 years of age: Take 1/2 tablet every hour until symptoms subside, then 1/2

tablet 2 times a day until relieved.
Children under 6 years of age: Consult a doctor.

Warnings

Stop use and ask a doctor if symptoms worsen, do not improve, are accompanied by a fever, or if new symptoms occur.

In the event of severe allergic reactions, consult a doctor immediately.

Pregnancy or Breast Feeding

If pregnant or breast-feeding, ask a healthcare professional before use.

Keep out of reach of children

Keep out of reach of children.

Overdose

In case of overdose, seek medical help or contact a Poison Control Center immediately.
