***Drug Facts***

***Active ingredient***

Tolnaftate 1%

***Purpose***

Antifungal

***Uses***

- cures most athlete's foot (tinea pedis) and ringworm (tinea corporis)
- prevent most athlete's foot (tinea pedis) and ringworm (tinea corporis) with daily use
- for effective relief of itching, burning, cracking scaling and discomfort which accompany these conditions

***Warnings***

**For external use only**

**Do not use**

on children under 2 years of age unless directed by a doctor

**When using this product**

- avoid contact with eyes

**Stop use and ask a doctor if**

- irritation occurs
- there is no improvement within 4 weeks

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.

***Directions***

- Wash the affected area and dry thoroughly
- Snap off the tip of the **green** swab below red line. Liquid will begin flowing into the other end of swab tip.
- The swab applicator allows for easy application to the skin around the nail.

- Apply a thin layer of liquid over the affected area twice daily (morning and night) or as directed by a doctor
- Supervise children in the use of product
- Pay attention to the spaces between the toes; wear well-fitting, ventilated shoes, and change shoes and socks at least once daily.
- Allow the nail and surrounding areas to dry.
- Use only one swab per treatment
- Re-seal pouch after each use
- For athlete's foot and ringworm use daily for 4 weeks
- If condition persists longer, consult a doctor.
- This product is not effective on the scalp or nails.
- When dry, proceed with step 2.
