

**MEDPURA AMMONIUM LACTATE LOTION- moisturizing [skin care preparations (creams, lotions, powder, and sprays)]**

**Akron Pharma Inc.**

-----  
**MEDPURA Ammonium Lactate Lotion 12%**  
**For Moisturizing and Softening Dry, Scaly Skin**  
**Fragrance Free**

**Description:** Ammonium Lactate 12% Moisturizing Lotion helps hydrate, soften and exfoliate dry, rough skin. This skin smoothing cream is specially formulated with 12% lactic acid neutralized with ammonium hydroxide for a pH of 4.5 - 5.5.

Lactic acid is an alpha hydroxy acid and a natural humectant for the skin.

**Directions:** For best results, apply to dry skin twice a day, or as directed by a doctor.

**Caution:** For external use only. Keep out of reach of children. Avoid contact with the eyes, lips and mucus membranes. Irritation may occur when used on the face. If irritation or sensitivity occurs, discontinue use.

**Ingredients:** Ammonium Hydroxide Solution, Cetyl Alcohol, Glycerin, GMS & PEG 100 Stearate, Hydroxyethyl Cellulose, Lactic Acid, Light Mineral Oil, Magnesium Aluminum Silicate, Methyl Paraben, PEG 40 Hydrogenated Castor oil, Propylene Glycol, Propyl Paraben, Purified Water, 2-dodecoxyethanol (Laureth-4).

**Other information:** Store at 68° - 77°F (20° - 25°C).

Avoid excessive heat.

For lot number and expiration date, see crimp of the tube
