

ESSENTIAL FADE COMPLEX - hydroquinone gel gel
Biocosmetics Research Lab

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Essential Fade Complex

Active Ingredient

Hydroquinone 2%

Purpose

Skin Lightener Gel

Use For gradual fading of dark (brownish) spots.

Warnings

Avoid contact with eyes. Children under 12 years of age: do not use unless directed by a doctor. Some users may experience a mild irritation. If skin irritation becomes severe, stop use and consult a doctor.

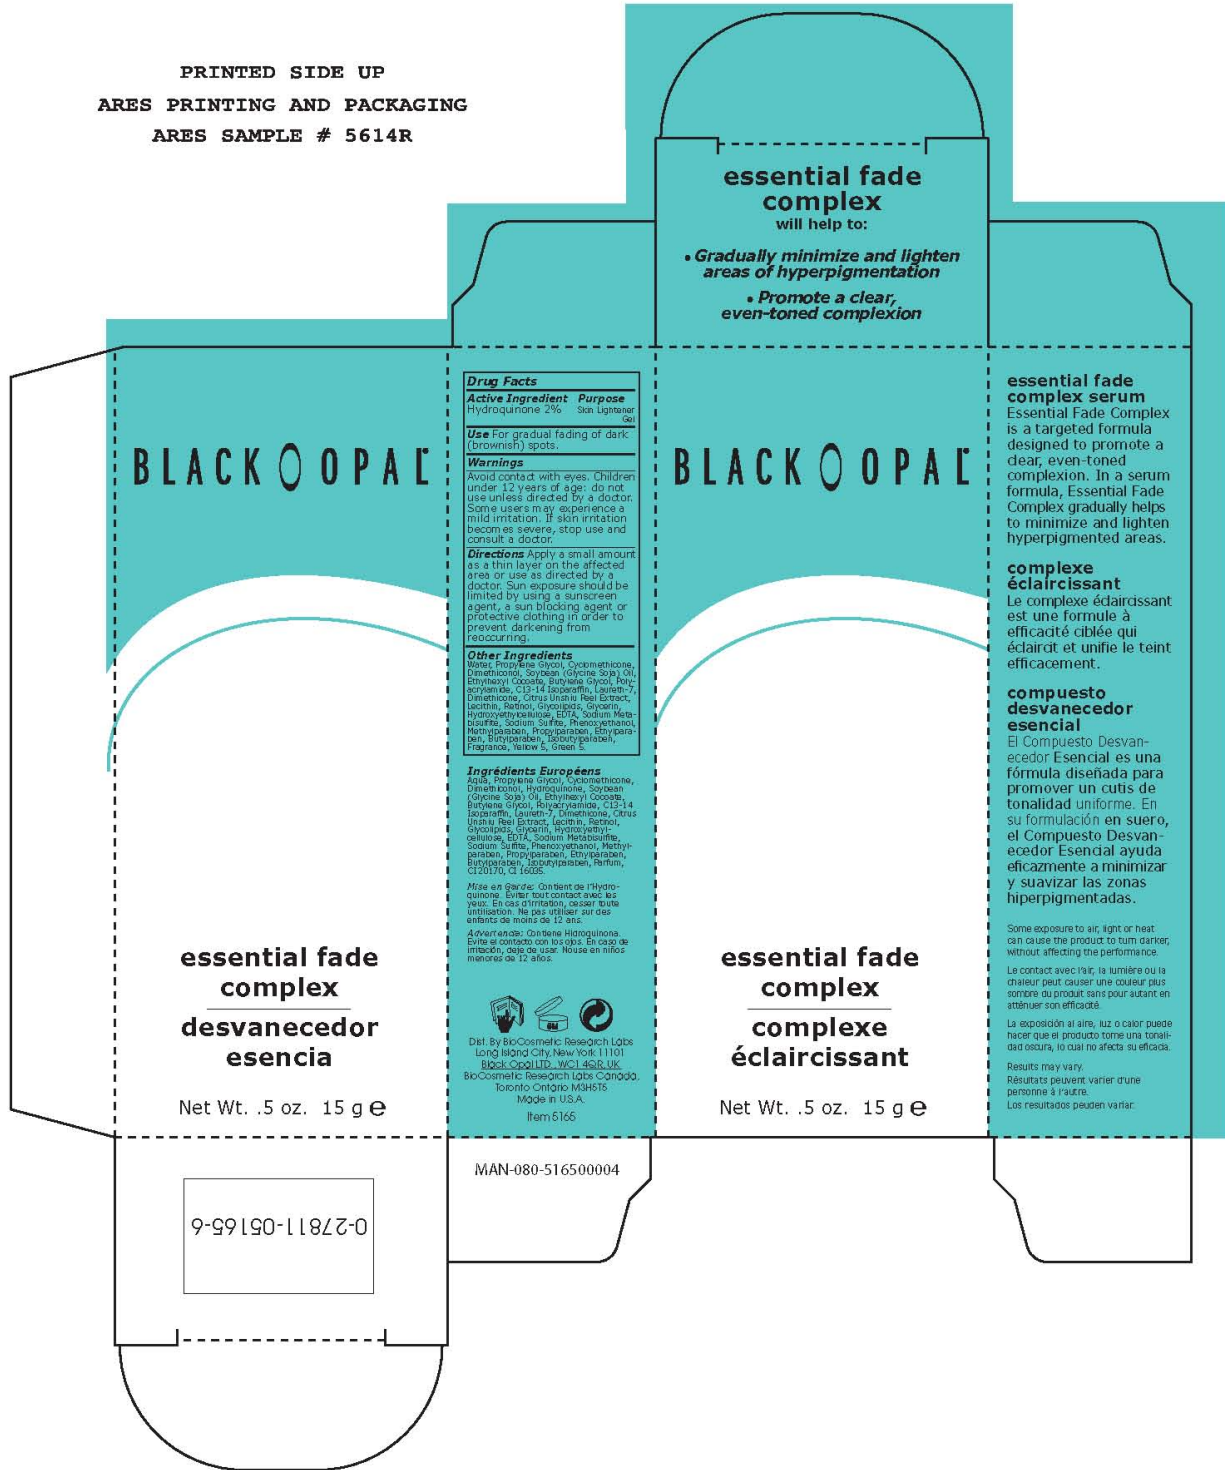

Directions Apply a small amount as a thin layer on the affected area or use as directed by a doctor. Sun exposure should be limited by using a sunscreen agent, a sun blocking agent or protective clothing in order to prevent darkening from reoccurring.
