

DIFFERIN MAX STRENGTH ACNE FOAMING BPO CLEANSER- benzoyl peroxide solution
Galderma Laboratories, L.P.

Drug Facts

Active Ingredients

Benzoyl Peroxide 10%

Purpose

Acne treatment

Uses

For the treatment of acne

Warnings

For external use only.

Do not use if you

- Have very sensitive skin
- Are sensitive to benzoyl peroxide

When using this product

■ skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time. ■ avoid unnecessary sun exposure and use a sunscreen ■ avoid contact with the eyes, lips, and mouth ■ avoid contact with hair and dyed fabrics, which may be bleached by this product ■ skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and ask a doctor if

- Irritation becomes severe.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

■ Wet face and gently massage all over face for about 20 – 30 seconds, avoiding the eye area. Rinse thoroughly and pat dry. ■ Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily

if needed or as directed by a doctor. ■ If bothersome dryness or peeling occurs, reduce application to once a day or every other day. ■ If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Inactive Ingredients

WATER, SODIUM C14-16 OLEFIN SULFONATE, CARBOMER
