*Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.*

-----

**Active Ingredients**

Camphor, 3%

Menthol, 2.52%

**Purpose**

Topical Analgesic

**Uses**

For temporary relief of minor aches and pains of muscle and joints associated with simple backache, arthritis, strains, cramps, bruises, and sprains.

**Warnings**

☐**For external use only**☐

**Do not**

Apply to open wounds, or damaged, broken, or irritated skin

**Stop use and ask a doctor**

if condition worsens or if there is redness or irritation in the applied area or if symptoms persist for more than 7 days or clear up and occur again within a few days.

**Caution**

- Discontinue use if excessive irritation of the skin develops
- Avoid contact with the eyes and mucous membranes
- Arthritis: If pain persists for more than 10 days, or redness is present, or in conditions affecting children under 12 years of age, consult a physician immediately

**Pregant or breast feeding**

ask a healthcare professional about use.

**Keep out of reach of children**

If swallowed, get medical help or contact a Poison Control Center right away.

**Directions**

Adults and children over the age of 12:

- Remove plastic backing from patch and discard
- Apply one patch to affected area
- Repeat if necessary, but no more than 3 per day

- Patch should be comfortable but not tight

Children under 12: consult a doctor before use
