

SKIN RESCUE SET- salicylic acid patch
Hangzhou Caring Cleaning Commodity Co., LTD

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active Ingredient

Salicylic Acid 0.5%

Purpose

Acne Treatment

Uses

For the treatment of acne

Warnings

For external use only.

When using this product

- Using other topical acne medications at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.
- Avoid contact with eyes.

Stop use and ask a doctor if

- irritation or redness develops and persists.

Do not use

- On irritated or sunburnt skin.

Keep out of reach of children.

- If ingested get medical help or contact a Poison Control Center right away.

Directions

Sensitivity test for new user

- Prior to first use, conduct a 24-hour patch test on a small area of your arm on clean, dry skin to determine skin reactivity.
- Proceed with normal usage only if irritation does not occur, as directed below.

- Cleanse face with soap and warm water to remove all traces of make-up, oil and dirt.
- Select a dot-shaped patch that is larger than the acne blemish and adhere the patch over the area to be treated.
- After 8 hours remove by gently peeling back and discarding.
- Cleanse the treated area and apply another patch if desired.

Other information

- Store in a cool dry place, use immediately after removing from the sheet.

Inactive ingredients

Cellulose Gum, Ethylene/VA Copolymer, Polyisobutene, Xanthan Gum, Aloe Barbadosis Leaf Extract, Melaleuca Alternifolia (Tea Tree) Oil, Propylene Glycol, Retinol.
