Asepxia® BB Liquid Acne Treatment

Drug Facts

Active Ingredient

Salicylic Acid 0.8%

Purpose

Acne medication

Uses

- For the treatment of acne
- Reduces the number of acne pimples and allows skin to heal
- Helps keep skin clear of new acne blemishes, acne pimples, whiteheads and blackheads

Warnings

For external use only.

When using this product

- skin irritation and dryness may occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time
- avoid contact with eyes. If product gets in eyes rinse with water

Stop use and ask a doctor if excessive skin irritation occurs.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- clean skin thoroughly before applying product
- cover entire affected area with a thin layer 1 to 3 times daily
- because excessive drying of skin may occur, start with 1 application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.
Sensitivity test for new user: Apply product sparingly to 1 or 2 small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated above.

Other information

- Store at room temperature

Inactive ingredients

Información del Medicamento

Ingrediente activo
Ácido salicílico 0.8%
Propósito
Medicamento para el acné

Usos ■ Para el tratamiento del acné ■ Reduce la cantidad de granos de acné y permite que la piel se cure ■ Ayuda a mantener la piel libre de nuevas manchas de acné, granos de acné, espinillas y puntos negros

Advertencias

Sólo para uso externo.

Al usar este producto, puede ocurrir irritación y sequedad de la piel si usa otra medicación tópicos para el acné al mismo tiempo. Si ocurre irritación, sólo use un acné tópico medicamento a la vez ■ Evite el contacto con los ojos. Si el producto entra en los ojos enjuague con agua

Para el uso y consulte a un médico si se produce una irritación excesiva en la piel.

Mantener fuera del alcance de los niños. En caso de ingestión, busque ayuda médica o contacte a un Veneno Centro de control de inmediato.

Instrucciones ■ Limpiar la piel completamente antes de aplicar el producto ■ cubrir todo área afectada con una capa delgada de 1 a 3 veces al día ■ debido a un secado excesivo de la piel puede ocurrir, comience con 1 aplicación diaria, luego aumente gradualmente a 2 o 3 veces al día si necesario o según lo indique un médico ■ si se produce sequedad o descamación molesta, reduzca aplicación a una vez al día o cada dos días. Prueba de sensibilidad para el nuevo usuario: aplicar producto con moderación a 1 o 2 áreas pequeñas afectadas durante los primeros 3 días. Si no hay molestias, siga las instrucciones anteriormente.

Otra información

■ Almacenar a temperatura ambiente.

Ingredientes inactivos

Agua, propilenglicol, mica, Argilla, palmitato de etilhexilo, dióxido de titanio, copolímero VP / Hexadeceno, dimeticona PEG / PPG-22/24, trietanolamina, polisorbato-80, estearato de sorbitán, ácido esteárico, alcohol cetílico, acetato de tocoferilo, Extracto de tallo, hoja y flor de Centella asiatica, extracto de semilla de
