Warnings For external use only. Do not use on damaged or broken skin. When using this product keep out of eyes. Rinse with water to remove. Stop use and ask a doctor if rash occurs.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions • Apply liberally and evenly 15 minutes before sun exposure. • Reapply: at least every 2 hours • Use a water-resistant sunscreen if swimming or sweating. • Sun Protection Measures. Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with Broad Spectrum SPF value of 15 or higher and other sun protection measures including: • limit time in the sun, especially from 10 a.m.-2 p.m. • wear long-sleeved shirts, pants, hats and sunglasses • Children under 6 months of age: Ask a doctor.

Urban Antioxidant Sunscreen

This advanced sunscreen protects skin from the four external factors responsible for more than 85% of skin aging — pollution, light, climate and irritants. Lipochroman® provides antioxidant protection from free radical damage caused by pollution and UV radiation — the leading causes of fine lines and age spots. Indian ginseng extract protects skin from HEV light emitted from the sun and electronic devices, while peptides hydrate and firm skin. Zinc oxide protects skin from UVA/UVB and irritants. Can also be used as a primer or as a lightweight foundation.

Directions

Apply liberally and evenly 15 minutes before sun exposure. Reapply at least every 2 hours.

Skin Unexposed®

As a dermatologist, my passion is helping women feel confident as they age. That's why I've created the first skincare line that protects from the four external factors responsible for more than 85% of skin aging — pollution, light, climate and irritants. My products combine high concentrations of medical grade actives, aromatherapy and botanical ingredients to keep your skin unexposed to these external factors, ensuring healthier, more youthful skin.
