

BIORE ANTI BLEMISH FLASH TREATMENT- salicylic acid liquid
Kao USA Inc.

Biore Anti-Blemish In-Shower Flash Treatment

what it does

BIORE ANTI-BLEMISH IN-SHOWER FLASH TREATMENT warms on contact and melts away acne-causing dirt and oil and helps control unwanted breakouts - right in the shower!

Perfect for daily, in-shower use to treat & help prevent acne for oh-so clear skin. #tada

Drug Facts

Active ingredient

Salicylic acid 2%

Purpose

Acne treatment

Use

clears up acne blemishes and blackheads

Warnings

For external use only.

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid contact with eyes. If contact occurs, rinse thoroughly with water.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- wet face
- squeeze product into dry hands
- massage over entire face
- rinse thoroughly

Other information

store at room temperature
