-----

**PURE NERIUM ACNE THERAPY CREAM**

Acne Treatment Cream

Salicylic acid 2.0%.

- For the treatment of acne.
- Dries and clears acne blemishes, acne pimples, blackheads, whiteheads and allows skin to heal.
- Penetrates pores to control acne blemishes, acne pimples, blackheads, whiteheads.
- Helps keep skin clear of new acne blemishes, acne pimples, blackheads, whiteheads.

**For external use only.**

When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

If swallowed, get medical help or contact a Poison Control Center right away.

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- *Sensitivity Test for a New User.* Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated above.

Not recommended for use by pregnant or nursing women.

Transport and store in a cool dry place and keep away from direct sunlight.
