Before their first birthday, most babies will catch seven colds – or more if they attend a child care center! Now, at the first sign of congestion or nasal discharge in babies 6 months or older, parents can help their little one with ColdCalm®. The sterile, single-use doses prevent contamination and eliminate the need for a preservative. The clear and tasteless liquid does not contain flavors, dyes, lactose, sugar or artificial sweeteners.

When wee ones are sick and fussy with a cold, help is a simple squeeze away.

- Temporarily relieves cold symptoms such as sneezing, runny nose and nasal congestion\*
- Recommended for children 6 months of age & older
- Convenient, sterile single-use liquid oral doses
- Preservative-free
- Non-drowsy, no known drug interactions
