Love the feeling...

Firm, hydrate and redefine your skin with this incredibly powerful day cream. It works to lift and firm as soon as you smooth it on, measurably reducing the appearance of lines and wrinkles. Your skin tone will appear more even, revealing younger looking skin in just 2 weeks.

We've blended an energizing complex with rich, feel-good moisturisers to smooth your skin and boost your natural radiance. At the same time, SPF 8 protects your skin from the sun.

A little facial every day...

After cleansing and toning, massage in small upwards circles over your face and neck.

You'll get even better results if you use Lifting and Firming Night Cream at bedtime as well.

Keep away from eyes and fabrics.

Dermatologically tested.
