Shake for natural beauty

BR Waterfull BB is developed with natural ingredients from a valuable plant complex (Lavender, Bergamot, Freesia, Peppermint, Chamomile and Rosemary) based on a concept of nature to improve a skin barrier, a soothing effect. It helps to enhance skin moisture and maintain (promote) the elasticity of the skin thanks to a maximum of moisturizing factors and natural preservation. Shake this moisture-rich formula to enjoy intensive moisture and beautiful radiant complexion.

How to use:
Apply evenly to clean skin after skin care and treatment serum.
