-
- Clean the skin thoroughly before applying this product
 - Cover the entire affected area with a thin layer one to three times daily
 - Because excessive drying of the skin may occur, start with one application daily then gradually increase to two or three times daily if needed or as directed by a doctor
 - If bothersome dryness or peeling occurs reduce application to once a day or every other day
-
- For external use only
 - When using this product

skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at all a time.

Do not use on broken skin or large areas of skin

When using this product apply only to areas with acne

Keep out of reach of children.
