Purpose Sunscreen

Uses helps prevent sunburn

Warnings

For external use only

Do not use on damaged or broken skin

When using this product keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor if rash occurs.

Keep out of reach of children. If swallowed get medical help or contact a poison control center right away.

Directions

Apply liberally 15 minutes before sun exposure

Use a water resistant sunscreen if swimming or sweating

Reapply at least every 2 hours

Children under 6 months of age: Ask a doctor

Sun Protection Measures

Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a broad spectrum SPF value of 15 or higher and other sun protection measures including:

limit time in the sun, especially from 10a.m - 2p.m

wear long-sleeved shirts, pants, hat and sunglasses

Other information

Protect the product in this container from excessive heat and direct sun

Lift and luminate No7
Skincare system

A daily skincare regimen that visibly lifts, evens skin tone and improves the appearance of lines and wrinkles in 4 weeks.

Key ingredients

Vitamin C and Hawaiian algae (Patented energizing complex) help older skin cells behave like younger skin, leaving skin looking brighter and younger.

White lupin extract and peptides (Skin firming complex) help combat wrinkles, loss of firmness and uneven skin tone, visibly lifting and firming the skin's appearance.

Shea butter moisturizes and nourishes the skin, leaving it softer and smoother.

Sunscreen broad spectrum SPF 15 helps to provide protection against the aging effects of the sun when used as directed with other skin protecting measures.

What is the No7 lift and luminate skincare system?

An advanced skincare system consisting of a day, night and eye cream that leaves skin feeling firmer and noticeably more radiant in just 4 weeks. Suitable for all skin types, it is ideal for those who have deep lines and wrinkles wishing to improve the youthful appearance of their skin.

How do I use it?

Use as part of your daily skincare routine. Use No7 lift and luminate day cream in the morning. At night, follow your cleanser with No7 lift and luminate night cream for moisturizing benefits while you rest. Use No7 lift and luminate eye cream both morning and night to help lift, brighten and smooth the skin around the eyes.

What should I use with these products?

For best results use with Boots No7 cleanser and the No7 anti-aging serum suitable for your skin type.

Advanced Skincare

The No7 lift and luminate skincare system delivers visible results, quickly lifting and redefining your skin for a more youthful appearance. Peptide technology delivers visible firming benefits to your skin in as little as 4 weeks.

Active ingredients work to intensively lift and smooth

Look visibly younger with this complete skincare regimen.

| Reveal lifted and firmer-feeling skin | Key Benefits | After 4 weeks | After 6 months |
|---------------------------------------|---|---|------------------------------|
| Lift and luminate day cream | SPF 15 helps protect from sun exposure | Skin feels firmer and noticeably more radiant | Visibly younger-looking skin |
| Lift and luminate night cream | Intensely moisturizing and hydrating | Visible firmness and more even skin tone | Visibly younger-looking skin |
| Lift and luminate eye cream | Helps lift and brighten around the eyes | Skin around eyes looks supple, soft and healthy | Visibly younger-looking skin |

Lift and luminate No7 Skincare system

A daily skincare regimen that visibly lifts, evens the skin tone and improves the appearance of lines and wrinkles in 4 weeks.

No7 lift and luminate day cream SPF 15

A rich and nourishing day cream designed to lift and firm the skin, reduce the appearance of lines and wrinkles, and even skin tone. After 4 weeks use, skin is left feeling firmer and noticeably more radiant. To use: After cleansing, massage in small upwards circles over your face and neck. Avoid eye area.

No7 lift and luminate night cream

With every application, this advanced night cream boosts your skin's radiance while you sleep. The skin firming and patented energizing complexes help to reveal revitalized, smoother and more supple skin when you wake.

To use: Just before bedtime, after cleansing, massage in small upwards circles over your face and neck. Avoid eye area.

No7 lift and luminate eye cream

Lift and brighten the skin around the eyes with this intensively hydrating eye cream. This hard working formula helps to lift and firm the skin while reducing the appearance of lines and wrinkles, and evens skin tone in just 4 weeks. The skin around the eyes will appear revitalised, radiant and brighter looking. To use: Dot on gently after cleansing morning and night, blending around the contours of the eye area.

How does it work?

Vitamin C and Hawaiian algae (Patented energizing complex) help older skin cells behave like younger skin, leaving skin looking brighter and younger.

White lupin extract and peptides (Skin firming complex) help combat wrinkles, loss of firmness and uneven skin tone, visibly lifting and firming the skin's appearance.

Shea butter moisturizes and nourishes the skin, leaving it softer and smoother.

Sunscreen broad spectrum SPF 15 helps to provide protection against the aging effects of the sun when used as directed with other skin protecting measures.
