"HPUS" indicates the active ingredients are in the official Homeopathic Pharmacopœia of the United States.

Uses

Temporarily relieves the symptoms of the common cold and flu including body aches and headaches, cough and congestion, fever, chills, and sore throat.

Warnings

As with any drug, ask a doctor before use if pregnant or nursing. Consult a physician if:

- Symptoms persist for more than 7 days or worsen
- Inflammation, fever or infection develops
- Symptoms are accompanied by high fever (101°F)
- Cough tends to recur or is accompanied by high fever, rash or persistent headache

Keep this and all medications out of the reach of children.

In case of accidental overdose, contact a medical professional or a poison control center immediately.

Do not use this product for persistent or chronic cough such as occurs with asthma, smoking or emphysema or if cough is accompanied by excessive mucus, unless directed by a licensed health care professional.

A persistent cough may be a sign of a serious condition.

Sore throat warning

Severe or persistent sore throat or sore throat accompanied by high fever, headache, nausea, and vomiting may be serious. Consult a doctor promptly.

Do not use if imprinted tamper band is broken or missing.

There have been no reports of interactions between this product and ibuprofen or acetaminophen.

In case of emergency, contact a medical professional or poison control center immediately. Hyland's may also be contacted for emergency information about our products 24 hours a day, 7 days per week at (800) 624-9659.
