- Penetrates pores to eliminate most acne pimples

Warnings

For external use only.
Using other topical acne medication at the same time or immediately following the use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

Keep out of reach of children.
If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Cleanse skin thoroughly.
- Cover the affected area with a thin layer 1 to 3 times a day.
- Because excessive dryness of the skin may occur, start with 1 application daily, then gradually increase to 2 or 3 times daily if needed or as directed by doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
